TV Function:

You can use the AV cable included in the package to connect the DVD player with your TV. Then you can watch the videos played on your player on TV.

About the Unit

- ① To clean this unit, wipe with a soft, dry cloth.
- ② Use eyeglass cleaner to remove stubborn dirt from the LCD.
- ③ Never use alcohol, paint thinner or benzine to clean this unit.
- ④ Do not press on the LCD screen.
- ⑤ This unit is not waterproof. To prevent a fire, do not place any container filled with liquid near this unit (such as a vase or flower pot) or expose it to dripping, splashing, rain or moisture.

About the Disc

- ① To clean discs, wipe with a damp cloth and then wipe dry.
- ② Do not attach labels or stickers to any discs (This may cause disc warping, making it unusable).
- ③ Do not write on the label with a ball-point pen or any other writing instrument.
- ④ For the disc, use scratch-proof protectors or covers.
- ⑤ To protect discs from scratches and dirt, return them to their cases or cartridges when they are not in use.
- ⑥ Do not use discs with exposed adhesive from removed stickers or labels (i.e. rented discs etc.).
- ⑦ Do not use discs that are badly warped or cracked, or irregularly shaped discs, such as heart shapes.
